

## Video transcript

### Unfolding 150 years of commitment to the Philippines

**[Text on screen]** 2025 marks the 150<sup>th</sup> year of HSBC's partnership with and commitment to the Philippines. Let's unfold this 150-year story of nation building, innovation, growth.

1883 Unfolding trade and commerce

HSBC helped finance the Manila-Dagupan railway which provided a boost to Philippine trade and commerce.

1883 Unfolding economic development

HSBC opened a branch in Iloilo to support the sugar trade.

1899 Unfolding modern finance

HSBC helped stabilize the Philippine monetary system.

1945 Unfolding resilience

HSBC rebuilt its war-damaged headquarters.

1946 Unfolding recovery

After the war, HSBC was the first bank to honor its promise to return customer deposits in full.

Today, HSBC continues to unfold and open a world of opportunity for clients, employees, community, and the country.

With HSBC Premier, we unfold legacies that last through generations.

With globally recognized HSBC Credit Cards, we help you unfold passions wherever you want to pursue them.

With presence in over 50 countries, we unfold opportunities for local and international businesses.

With HSBC global payment solutions, we unfold new ways of banking to help businesses grow.

With a focus on developing skills fit for the future, we unfold a dynamic, inclusive, and flexible work culture.

With an unmatched global network, we unfold learning opportunities for employees like no other local bank can.

You can count on us to remain steadfast to our mission: To connect everyone to opportunities across borders.

For those who have been part of our 150-year story, thank you!

Combining an international mindset with local expertise, we help you achieve your goals and ambitions anywhere in the world.

Continue to journey with us in the years to come!
